# ABOUT US

Welcome to the School of Allied Health Sciences, where diverse knowledge, information and education camouflage to make better humans for the globe. School of Allied Health Sciences was started in the year 2004 with a motive of giving the best education and training in the field of Allied health sciences and from then on we are growing enormously not only in student strength but also in terms of its quality and dynamicity.

We at SAHS are dedicated to make our students excel in academic and life skills, the most needed in this fast changing world.

The infra structure, clinical exposure, hands on training, upgradation of techniques and teaching methodologies are the key to outstanding performances by our students. Extensively available book and international journals opens up the new possibilities in different streams of study. With a motive to inculcate social responsibility many extra curricular activities like Community outreach programmes, NSS, RRC have been initiated and done successfully.

Join us, be prepared for an exciting college Life and an assured great future!!!
